Caleb: “In the choice between seeking national office and serving Indiana in some capacity, we choose Indiana,” Mr. Pence wrote in a letter to supporters. “We will not seek the Republican nomination for president in 2012.”
me: I see
me: but he considered national office
me: maybe he and Indiana were going through a rough patch?
me: you wanna see how a press release is done, newb?
Caleb: The royal 'we'.
me: him and his loyal wife
me: don't be so cynical
